

## RAJASTHAN TECHNICAL UNIVERSITY

“Rajasthan Technical University (RTU) is located in Kota in the state of Rajasthan. It was established in 2006 by the Government of Rajasthan with an aim to enhance technical education in the state by providing an academic leadership.

About 122 Engineering Colleges, 36 MCA colleges, 134 MBA colleges, 24 colleges with M.Tech programs and 04 with BHMCT program are affiliated to RTU. More than 1 lac students are enrolled with the RTU for different programs.

The mission of RTU is to provide vibrant, dynamic and cutting edge academic leadership for the growth of technical education in the state and offer excellent infrastructure to its students.

## UNIVERSITY COLLEGE OF ENGINEERING

University College of Engineering, UCE (erstwhile Engineering College Kota, established in 1981) is the only constituent college of RTU. UCE is known for its scholastic and intellectual prestige since last 30 years. The college is imparting education in frontline areas of engineering and sciences.

It has more than 80 faculty members actively involved in multidisciplinary programs. Most of the faculty members of UCE are highly qualified and they have provided leadership through research in a number of areas of Engineering & Technology. The UCE offers 8 UG and 10 PG courses leading to B.Tech. and M.Tech/ MBA respectively. UCE also offers Ph.D. programs in various disciplines.

UCE is well equipped with state of the art laboratories having all the relevant instruments and equipments and well supported by trained technical staff. The college maintains a huge collection of books and technical journals in its big and spacious Library building. The college also has state of the art central computing facility accessible to all the students and faculty members.

The college atmosphere is extremely innovative, harmonious and yet, challenging where every student is groomed to be a winner with special attention to teamwork and to accomplish the highest technical expertise through quality education. UCE has been entrusted with the task to create an environment of imparting knowledge and to understand the state of the art technology for easy amalgamation of latest research and development in the curriculum.

## FACULTY DEVELOPMENT PROGRAM

Rajasthan Technical University has launched the Faculty Development Programs (FDPs) in order to improve the academic standards of technical education in the state. FDPs are specifically designed and meant to cater to the need of young & enthusiastic faculty of all the RTU affiliated colleges. The basic objective of the program is *to enhance the teaching skill and quality of teachers of all affiliated colleges of RTU so that they can deliver the goods to the students in an effective manner.*

Highly qualified & experienced faculty of University College of Engineering have put in a lot of efforts in bringing up these FDP programs. The course material for each subject has been prepared by the group of faculty/ experts from RTU & other premium institutes with the objective to explain to the participants the course contents and the depth of subject as per RTU syllabus, related reference books etc. Each FDP will have exhaustive sessions of lecture/ tutorials for 3 to 5 days. However, the success of FDPs lies in the active participation of faculty of the affiliated colleges in large number.

**Target Group:** The target group for Faculty Development Program will be the Faculty of all affiliated/constituent Colleges of RTU. In order to ensure the effectiveness of the program and to ensure the proper interaction with the participants, each program has limited seats. Hence, nomination would be accepted on the basis of first-come-first-served basis.

## ABOUT PARTICIPATION

**How to apply?** Interested faculty members can apply for this program, in the prescribed application form (enclosed). The application form can also be available on RTU web site ([www.rtu.ac.in](http://www.rtu.ac.in)). Duly filled application form along with the Bank DD of registration fee (payable to “**Rajasthan Technical University, Kota**”) must reach the Coordinator on or before the last date mentioned in the notification on the following address: **COORDINATOR, CFD, Centre for Faculty Development, Rajasthan Technical University, Kota-324010**

Incomplete application form or application without Registration Fee or received after the last date will not be accepted. Application must be signed by the applicant and sponsorship certificate by the Head of the Institute. Applicants are advised to send the scanned copy of the duly filled application form through email at [cfd.rtu@gmail.com](mailto:cfd.rtu@gmail.com) as pre-intimation. Course coordinator reserves the right to reschedule/ cancel the program.

**Registration Fee:** FDP has been structured on self-sustainable basis. Registration fee per candidate (to be paid by sponsoring college) is as below & is non-refundable:

Rs. 3500/- (For 5 days program);      Rs. 2500/- (For 3 days program)

Registration fee includes registration kit, resource material, and working lunch, tea/snacks etc. during the program. However, participants will have to arrange their accommodation for stay and their TA and lodging & Boarding expenses at Kota will be borne by the sponsoring/ parent institutes. Limited annex accommodations, available in RTU campus, may be provided in special cases (on chargeable basis) to the girl candidates on request and on the basis of first-come-first-served basis.

**Please note that** all the selected participants are required to report to the **Course Coordinator** on day one of the program for registration at the time mentioned in the selection letter. **Participants are also advised to bring calculators, relevant code etc. (as per requirement of the course) with them.** Course coordinator may schedule some home assignments/ class tests during the program. On successful completion of the program, certificates will be awarded to participants
