Report of the Panel of Examiners for Pre-Synopsis Seminar:

The student submitted a comprehensive report of the research work carried out by him / her and made an oral presentation of the same to the panel of examiners. The panel makes the following observations and recommendations:

1. The work done by the candidate towards the degree of Doctor of Philosophy (Ph.D.) is, as of date: *(please tick ONE of the two options (a) and (b) below)*

a.	Adequate for the submission of the Ph.D. Synopsis and Thesis, within four months of this date , incorporating the suggestions (if any) made in item 2, in consultation with the Ph.D. Supervisor.	
b.	Inadequate for the submission of the Ph.D. Synopsis and Thesis in its present form and major modifications / additions / changes are required. The student must incorporate the improvements / modifications / changes suggested in item 2, and give the Pre-synopsis Seminar again.	

2. Additional comments / observations / recommendations of the panel:
(please write on a separate sheet and attach. The student must also be given a copy)

3. Publications arising out of the Ph.D. thesis:

(please attach separate sheets with complete bibliographic details and indicating whether published / accepted / communicated, other recognition of the work done in the Ph.D. Thesis work in the form of patents / awards / etc., please attach a separate sheet with complete details).
