Sub.:- Deposition of all types of fee related to the examinations.

Dear Sir,

University has already started to deposit the entire fee related to examination activity through GATE WAY payment system. You are requested in this regard that kindly make arrangement accordingly either by opening account in Punjab National Bank or obtain Corporate Banking Option from any nationalized bank, so that system will run smooth and properly. The matter should be dealt on urgent basis because University will not allowed to deposit the fee through any other mode i.e. D.Ds etc.

Looking forward for your kind cooperation.
