Sub: Clarification about notification No. F.No. 2-2/D-NSQF/U.S.Infra/2016 dated 12.07.2016 regarding starting of new courses in the same premises of existing courses

Sir,

This has reference to your letter on the above mentioned subject.

In this regard, I am directed to inform you that Council vide Notification No. 2-2/D-NSQF/U.S-Infra/2016 dated 8th July, 2016 informed to the institutions and all State Secretaries & Directors about the guidelines for opening of ITIs in spare capacity by Polytechnics under the domain of AICTE. Also, the All India Council for Technical Education (Grant of Approval for Technical Institutions) Regulation, 2012 is amended by the sub-clause in Clause-4 (4.1) which is as under:

"The Institution may conduct skill development Courses of any other Regulatory Body by using existing facilities, or by creating additional facilities as per the provisions laid down in the norms and standards of the respective Regulatory Bodies without affecting the quality of education prescribed by both Regulatory Bodies after taking prior approval of the Council."

Hence, as per the new Regulation only skill development courses of other regulatory bodies may be conducted in AICTE approved Institutions.

Regards,
