Dear Sir/Madam

Ministry of Human Resource Development has taken up task to retrain the teachers by using SWAYAM courses for their own teaching process so that they may have a blended learning process. The flipped classroom model, where the SWAYAM videos are seen at home and discussions in the class would help in improving the quality of learning.

You are requested to kindly circulate the same among the teachers for wide publicity.

For further information you may go through the Twitter:

Yours Sincerely

Dean, Academic Affairs
