To,  
The Director/Principal,

-----  
**Sub: Invitation for 2 Days workshop on “Recent Trends in RF Technologies”  
to be held on dated February 26-27, 2011.**

Dear Sir,

It gives us immense pleasure to inform you that Department of Electronics Engineering, University College of Engineering, Rajasthan Technical University, Kota is organizing a two days IEEE- MTTs student chapter workshop on “Recent Trends in RF Technologies” to be held dated February 26-27, 2011.

Rajasthan Technical University is providing the leadership for the development of technical education and also working in direction to achieve the excellence in quality education in the state. The curriculum of UG, PG and research courses has been framed accordingly. The university is also organizing seminars, workshops, short term courses & conferences for the benefit of faculty members, students, research scholars, and industries.

The contents of the workshop are very useful for the teachers, students, and industries giving in-depth knowledge of RF technologies. The theoretical and practical demonstrations are also arranged by M/s Agilent technologies. These are also related to the present syllabi and upcoming trends in the RF, therefore, it will help the teachers in laboratory classes and project work for the under graduate/postgraduate students. It shall also help to enhance the research activities and to develop the new laboratory in the emerging era in the near future at your institute. The detailed programme and other information related to the workshop is available on our university website; [www.rtu.ac.in](http://www.rtu.ac.in).

Professor Shibani K. Koul, Chairman, IEEE-MTTs Delhi chapter has given his kind consent to deliver keynote speech in the workshop. Also, eminent Professors from IIT Delhi will be delivering talks in the workshop.

You are therefore requested to avail this invaluable opportunity for your maximum number of students and faculty members from your institute.

Thanking you and looking forward to your participation.

With regards.

Amitabh Sharma  
Counselor,  
IEEE-MTTs Student Chapter  
Director (Academics)  
Rajasthan Technical University, Kota
