

## MESSAGE.....

Prof. Damodar Sharma

*It is a pleasure for me that Examination Section of Rajasthan Technical University is publishing manual for "Conduct of Examination". The section has done a commendable job in spite of acute shortage of trained manpower to organize the various activities of Rajasthan Technical University i.e. enrolment, branch change, examination and also development fee collection. It is more than satisfying that they have completed this task along with the biggest responsibility of conduct of RPTEAP-2007.*

*Dedicate team of teachers & employees have demonstrated that if you have will you can do whatever you are dreaming for. The team has set the example for other to emulate. Many others staff member have also helped them in their own way to make this happen at Rajasthan Technical University and there efforts are also commendable.*

*I have full faith in the ability of our people which has also been reflected in following quote*

*"I know of no more encouraging fact than the unquestionable ability of man to elevate his life by conscious endeavor"*

*The above endeavor of examination section will go a long way to elevate the image of Rajasthan Technical University.*

*My best wishes to the team.*

**Vice Chancellor  
Rajasthan Technical University**
