

Rajasthan Technical University, Kota

No.F(23)3.2/RTU-Exam/2007/

Date:07.09.2007

Director/ Principal

Sub: Regarding issues of year back students.

Dear Sir,

Queries are being received in the University with regard to the candidates who have been declared year back students, as they could not fulfill the promotion rules mention in clause 8A and 8B of the syllabus of Engineering as adopted from University of Rajasthan.

Such students are having option to register either in the failing subjects or in all subjects. University has already adopted the semester scheme from academic session 2007-08, & therefore these students can't register in failing on all subjects of annual scheme of 2006-07.

Under the above circumstances, these students will remain Ex-student for the current academic session i.e. 2007-08 in Ist BE & will submit examination form in failed subjects **OR** they can register as a regular student of Ist BE under new semester scheme in academic session 2007-08.
