No.F(23)3.2/RTU-Exam/2007/

Date:17.09.2007

To

The Principal
(All Affiliated Colleges)

Sub: Request of change of marks after declaration of result.

Dear Sir,

The University has received several requests for correcting the errors committed by the examiners while filling the OMR sheets. It is for the information for all the colleges that utmost care must be exercised in filling the OMR sheets to ensure correctness. No request in whatever form will be acceded where the Answer Books are not made available to the University before declaration of result.

Further, it has also been found that in certain cases the examiner has awarded marks more than maximum marks prescribed for the subject. In few of such cases the anomaly has been corrected from the Practical Answer Books provided to RTU by respective colleges. However, under few cases related to term test the matter is still pending and results of such candidates have been withheld. All the colleges are further informed that any correction by the University either at its own level or made after clarification from the respective college will attract financial penalties. It is also possible that marks may not be corrected if genuine reason is not established. Please observe utmost care while preparing & submitting the award list to Rajasthan Technical University.
