

Rajasthan Technical University, Kota

No.F(23)3.2/RTU-Exam/2007/

Date:07.09.2007

NOTIFICATION

1. Some of the Engineering Colleges have raised the issue of admission of students who were earlier registered with the University of Rajasthan and as a consequence of the establishment of the Technical University are not able to continue their study in the affiliated colleges in Ist & IInd BE as these courses are now being offered under Rajasthan Technical University. Under the above circumstances Hon'ble VC Rajasthan Technical University is pleased to approve that the students who were enrolled with the University of Rajasthan during 2005-06 and also prior to 2005-06 & now promoted by the University of Rajasthan in IInd BE can be re-enrolled with the Rajasthan Technical University. These students are immediately required to apply for the re-enrollment with an undertaking (to be endorsed by the Principal of the college) that their previous academic records will be arranged by the respective college from the University of Rajasthan. Their final year Mark Sheet will be issued only when such records are made available to the Rajasthan Technical University.
2. Students who were enrolled with the University of Rajasthan but did not continue their study for some time but are now seeking admission in Ist & IInd BE (and can continue study in Ist BE or can be promoted to IInd BE as per rules of Faculty of Engineering and Technology scheme) are permitted to apply to the Rajasthan Technical University with the undertaking (to be endorsed by the Principal of the college) that their concerned college will provide all Academic record duly verified by the University of Rajasthan. Their case will be decided by the Rajasthan Technical University on the basis of promotion rules of the University and as per scheme as referred above and they will be awarded degree only if such records are transferred from the University of Rajasthan.
