RAJASTHAN TECHNICAL UNIVERSITY, KOTA

NO.F(41)----/2008/ Date: 3.9.2008

NOTICE

It has been reported that some of the help centers established for the purpose of helping the RPET candidates to fill up their choices, are mis-guiding candidates about the GAS seats indicating that these are only for those candidates whose parents annual income is less than Rs.2.5 lac

It is clarified that the limitation of income is only in respect of candidates seeking admission under OBC quota seats and for the candidates seeking admission under Tuition Fee Waiver Scheme (Economically Weaker Section)(TFWS-EWS). There is no income limit for any other type of seat including GAS (Govt. Aided seats).

All help centers are directed to guide the candidates accordingly.
